

# Lakie's Weekly Grade 6 Level Task List

Hey Gators, please find your tasks to be completed this week.

Week of: March 30-April 3, 2020

## Language Arts:

Complete one journal entry this week. See the **ASSIGNMENT** tab in Teams for more details. You are welcome to complete more entries if you like.

Go through the Elements of Narratives PowerPoint in the **FILES** tab. Read *The Little Red Hen and the Grain of Wheat* on slide 11 in the PowerPoint.

Complete the Elements of Narratives assignment in the **ASSIGNMENT** tab of Teams. You do not need to submit this. An answer key will be posted on Friday.

Optional Task: Listen to Mrs. Oliver read *The Little Red Hen*. Find the YouTube link on the last slide of the PowerPoint.

Optional Task: Make a post on Litsy about what you've been reading.

Remember to keep reading for 10 minutes a day!

## Social Studies:

You have completed the Provincial Government unit (there is a copy of the booklet with the answers under **FILES-ANSWER KEYS** on your Teams page). There is a board game activity on Teams for you to do this week. Planning and making this game will help you review the unit and develop a deeper understanding of the course.

On Friday we will post an online review check. This is not for marks!

Many of you have reached out with questions this past week, it was good to connect! Keep asking questions when you have difficulties, we are happy to BE THERE for you.

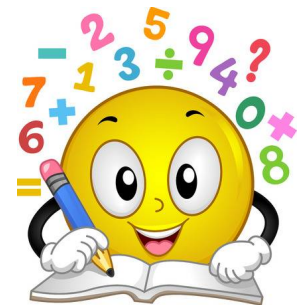

## Math:

You will continue to work on the pattern's unit. Lesson two will cover "Patterns from Tables" and it is similar to last week.

You will use a PowerPoint found in the **FILES** TAB to guide you through Lesson 2. The word document version of Lesson 2

(that you would write your answers on either digitally, print out

or copy to lined paper) will be found in the **ASSIGNMENTS** along with one extra practice page.

# Lakie's Weekly Grade 6 Level Task List

Hey Gators, please find your tasks to be completed this week.

Week of: March 30-April 3, 2020

## Science:

This week you will work on a handwriting and graphology lessons.

All the student work will be in the **ASSIGNMENTS** tab on Teams and

the PowerPoint is in **FILES – WEEK TWO**. There are a few fun activities to try out!

Mrs. Grant and Ms. McGee made a video of the Paper Chromatography Lab that is OPTIONAL to complete. The lab sheet is in the same format as what we have done in class before. These activities will not be handed in for marks.

**Video Link** <https://www.youtube.com/watch?v=fJi-Nhc6kVI&feature=youtu.be>

An answer key will be posted on Friday.

## ZOOM Meeting Schedule

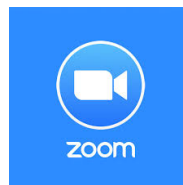

We loved being able to connect with you via the ZOOM app last week. Your core teachers would like to meet with all students available during the following times in order to see how you are doing and answer any questions you might have.

**6A** - Wednesday, April 1<sup>st</sup> @ 1:00

**6B** - Wednesday, April 1<sup>st</sup> @ 1:30

**6C** - Thursday, April 2<sup>nd</sup> @ 1:00

**6D** - Thursday, April 2<sup>nd</sup> @ 1:30

The link will be posted on the SCIENCE discussion board when your meeting time is schedule for.

## Additional Activities:

Please remember to check out your **Enrichment Activities** and **Lakie PE** classes on Teams for more amazing learning!
