## Social Studies:

This week you are finishing off your unit on "The Charter of Rights and Freedoms". You have a quiz to complete **TODAY** (you have until midnight to complete it), using forms. **MAKE SURE YOU PRESS SUBMIT AT THE END**, as this saves your work and turns in your quiz! You do not have to press 'turn-in' as it is done automatically when you press submit.

There is a booklet with some videos and questions for you to answer and a check in assignment for May 4<sup>th</sup> that is not worth marks.

## Math:

This week is lesson 5 and you will be working on Plotting ordered pairs on a coordinate grid.

1. Under **ASSIGNMENTS** you will find all of the necessary materials. The powerpoint and video links (to teach you what to do) and the 2 worksheets that go with this lesson.
2. After you complete Lesson 5 worksheets, please complete the "Checking Understanding Week 5" We will continue to have a checking understanding quiz (not marked but put in powerschool as complete or not complete).
