

Lakie's Weekly Grade 6 Level Task List

Hey Gators, please find your tasks to be completed this week.

Week of: May 4-8, 2020

Language Arts:

Please complete ONE journal entry this week using the following prompt: WHAT CHANGES, BIG OR SMALL, ARE YOU NOTICING IN THE WORLD AROUND YOU? See the **ASSIGNMENT** in TEAMS for more details.

Please read the poem "If I Were in Charge of the World" and Mrs. Oliver's example as well. Using the template provided, write your own "If I Were in Charge of the World" poem. See the **ASSIGNMENT** in TEAMS for more details.

Read for at least 10 minutes daily, please!

Optional: I am doing an optional read-aloud of the novel, *Among the Hidden*. I have been posting a YouTube link to one or two chapters each day - I would love for you to listen and enjoy the story! We will wrap up the novel this week, but the videos will continue to be available if you need to catch up!

Social Studies:

This week for Social you have a check-in quiz on your **Part 1: Who's Who's in Ancient Athens**. When you finish the quiz, work on **Part 2: Structures of Government booklet**. Use the PDF titled "Athens-Part 2 (Structures of Gov't)" to help you find the answers in the booklet. On Friday, the answer key will be posted to the files section. On Monday, May 11th you will have another check-in quiz on Part 2.

As always if you have any questions please send Mrs. Adamson or Mrs. Wehlage a chat. We are happy to help you.

Math:

This week is lesson 6 and you will be working on Graphing Patterns - this is a combination of finding the pattern and expression and then plotting it on a graph.

1. Under **ASSIGNMENTS** you will find all of the necessary materials. The powerpoint and video links (to teach you what to do) and the 2 worksheets that go with this lesson.
2. After you complete Lesson 6 worksheets, please complete the "Checking Understanding Week 6" We will continue to have a checking understanding quiz each week (not marked but put in powerschool as complete or missing). Please make sure you SUBMIT the quiz so that we can see the results.

If at any time you have questions or need additional help, please send Mrs. Grant or Mr. Letasy a chat message and we are more than willing to assist you!

Lakie's Weekly Grade 6 Level Task List

Hey Gators, please find your tasks to be completed this week.

Science:

This week you will be given a unit quiz to complete. It is twenty questions and all multiple choice. You can use your notes and study guide if you like in order to complete the test.

The link to the test is in the **ASSIGNMENTS** tab. Once you start the test you must finish it. If you close the window or do not submit it then you cannot start again.

Next week we will start our final unit;
Air, Aerodynamics and Flight!

Additional Activities:

Please remember to check out your **Enrichment Activities** and **Lakie PE** classes on Teams for more amazing learning!

Wellness:

#GETREAL G.S. LAKIE CHALLENGE
HATS ON FOR MENTAL HEALTH
Wednesday, May 6, 2020
We invite our G.S. Lakie family to wear your hats to support mental health awareness!

Show us all the many ways you are taking care of your mental health! Be creative Gators and have fun with this! Take a photo or a video of you with your hat on, doing something that is positive for your mental health!

Maybe for you, taking care of your mental health happens through art, such as painting, dancing, sculpting or beading, maybe through physical activities, such as walking, jogging, soccer, or playing on a trampoline, maybe through singing, drumming, writing, music, cooking, talking with friends and family, maybe by spending time with your pet, quality time with a parent or a sibling, gardening, reading a good book, relaxing, watching a movie, or sewing.

What have you found works for you to take care of your mental health?

SEND YOUR PHOTOS OR VIDEOS TO:
